**Guest Speaker:**

**Renee Coates Scheidt**

**Seeing women find hope and encouragement through the truth of God's Word is Renee's theme.**

Renee is the hostess of the "Hearts of Hope" Television Show in Charlotte, NC. Through both personal experience and conviction she knows the power of the Word and it's ability to meet the deepest needs of each heart.

Drawing upon her personal experience of being left to raise two babies as a young widow in 1987 when her minister-husband of ten years tragically died by suicide, Renee will be sharing with us the availability of God's presence, persistence and power.

With openness, honesty, wit, and passion, Renee will encourage you to find the answers you seek in God's Word, and His precious promises.
