TWO MAIN SESSIONS with

Ginger Broslat

At six years old, Ginger was diagnosed with muscular dystrophy. She learned, and now teaches, dependence on Christ in every area of life. Her ability to parallel a form a physical therapy she had, into spiritual therapy, is a gift from God. And her love of God and love for people shines through her presentation. Join us for a day of spiritual rehab!

SELECT TWO WORKSHOPS:

- Rx for Quick Family Meals: Cooking Class
- Prescription for Sanity in 2006: Time Management
- Reversing the Side Effects of Selfishness: Adopting a Servant's Heart
- Interaction Satisfaction: Balancing Your Blended Family Dynamics
